

This is a game for 2 or 3 players. Roll one die and go to that column.
Choose any space in that column to solve. If the other players agree that you are correct, mark the space.

There are two ways to win the game:

- Mark all the spaces in any column
- Mark all the spaces in a three across by three down array.

Every Birdie's Adding!

 Greatest sum of any two	 Least sum of any two, plus 10	 Greatest sum of any two, plus 40	 Least sum of any two	 Least sum of any two, plus 20	 Least sum of any two
 Sum of all three, minus 10	 Sum of all three, plus 30	 Least sum of any two, plus 10	 Sum of all three, plus 40	 Greatest sum of any two, plus 9	 Sum of all three, minus 10
 Least sum of any two, plus 10	 Greatest sum of any two, plus 40	 Greatest sum of any two, plus 8	 Least sum of any two.	 Sum of all three	 Least sum of any two, plus 20
 Sum of all three	 Least sum of any two.	 Sum of all three	 Sum of all three, minus 10	 Least sum of any two	 Greatest sum of any two
 Greatest sum of any two	 Least sum of any two, plus 20	 Sum of all three, plus 30	 Least sum of any two, plus 10	 Sum of all three	 Sum of all three, plus 30
